

# HERRINGBONE COCKTAIL CLUB

## THE TECH MAKES US DIFFERENT

THE HERRINGBONE COCKTAIL CLUB IS A NEW BREED OF ROAMING BAND. WE MOVE AMONGST YOUR GUESTS CREATING A MAGICAL ATMOSPHERE BUT, UNLIKE OTHER ROAMING BANDS, WE ADD A VARIETY OF AMPLIFICATION OPTIONS, ENSURING THE VOLUME AND DISTRIBUTION OF SOUND IS PERFECTLY MATCHED TO YOUR EVENT.

WE USE WIRELESS TECHNOLOGY TO TRANSMIT EACH ELEMENT OF OUR SOUND. OUR TECHNICIAN THEN MIXES THIS INTO A PERFECTLY BALANCED AUDIO FEED WHICH CAN BE USED IN A NUMBER OF WAYS. HAVE A LOOK AT THE FOLLOWING ILLUSTRATIONS TO SEE WHICH ONE (OR MORE) MIGHT SUIT YOUR EVENT BEST.

## SUNNY AFTERNOON

OUR “SUNNY AFTERNOON” OPTION PROVIDES THE PERFECT BACKDROP TO AN OUTDOOR DRINKS RECEPTION OR SIMILAR. WE HAVE BUILT AND DESIGNED A BESPOKE, MOBILE AND BATTERY POWERED PA SYSTEM THAT CAN PROVIDE LIGHT AMPLIFICATION, WHILST ALLOWING YOUR GUESTS TO HEAR THEIR CONVERSATIONS. THIS ALSO GIVES ENDLESS POSSIBILITIES FOR WHERE THE BAND PERFORM.

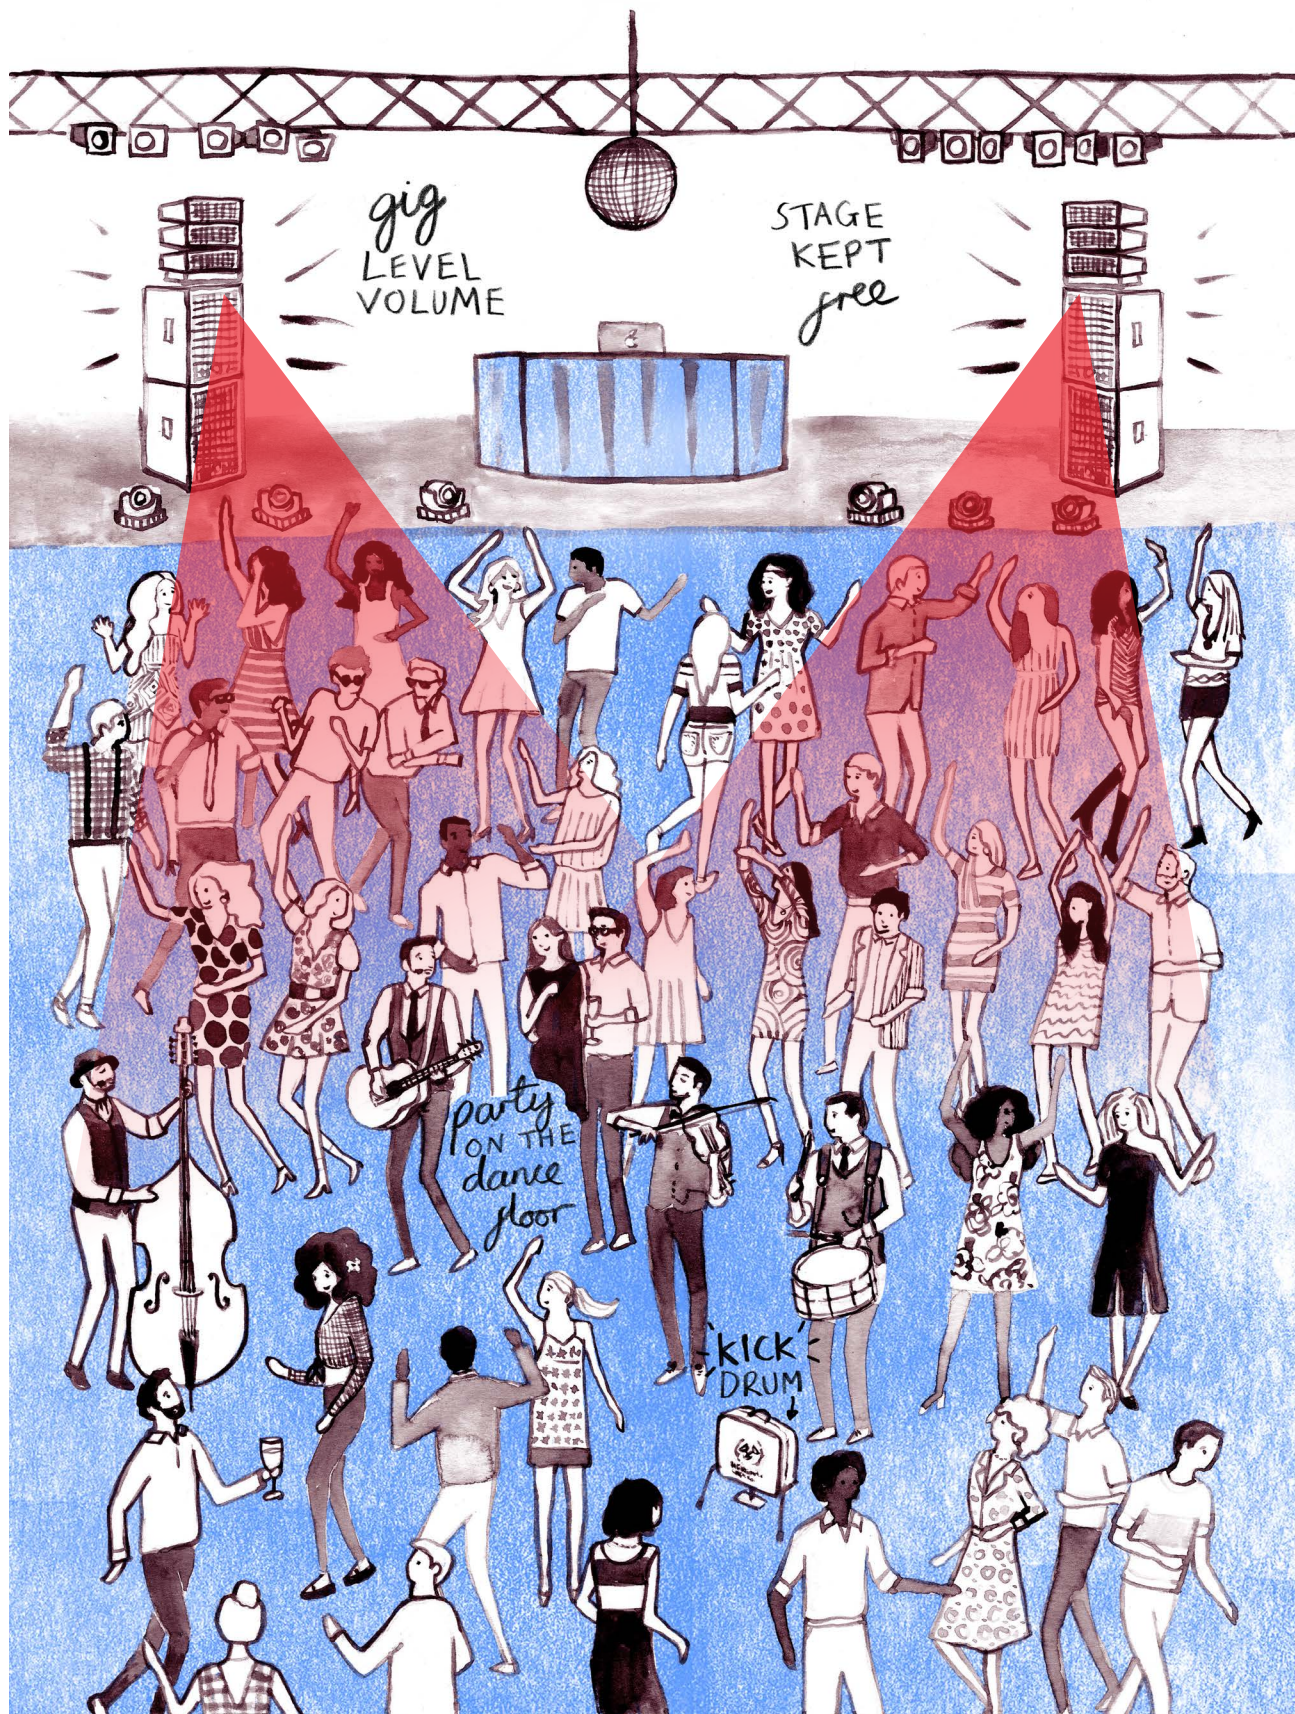

## WALK THIS WAY

THE “WALK THIS WAY” OPTION ALLOWS A MORE EVEN SOUND COVERAGE BY FEEDING OUR WIRELESS SIGNAL INTO A PA SYSTEM THAT IS POSITIONED OVER A LARGER AREA. OFTEN THESE SYSTEMS ARE ALREADY IN PLACE ON LARGER EVENTS WHERE THEY ARE NEEDED FOR SPEECHES OR PRESENTATIONS. WE CAN ROAM EFFORTLESSLY THROUGH THE VENUE PROVIDING A FOCUS OF INTERACTIVE FUN AS WE GO BUT AT THE SAME TIME ENSURING THAT ALL GUESTS HAVE WONDERFUL MUSIC TO ENJOY

## LET'S DANCE

"Let's Dance" is the option for those who love to party. We pack all the punch of a traditional amplified band on stage but our wireless technology means we can play from the middle of a packed dancefloor. This also means that the stage can be kept free for a DJ (or even another band).
